Greetings from the 2011 ISR Committee!

Wow, this year is just flying by. There's less than 3 months till the 26th International Serenity Run. The Committee has been working hard putting on Pre-Run event as fundraisers to help support the big event in August. A new event was added this year, The Get Outta Your Cage Ride in March and it was a great success. Despite the cold temperatures it was a fun day. Only 2 Pre-Run Events remain: The Dirty Biker's Ball and Camp-out in Rye, Colorado in June and the Tacky Hawaiian Shirt Poker Run and Dance in July.

For those that don't know the news yet: Tony and Pat have sold Aspen Trails Campground in March. The new owners are looking forward to hosting the Run this year with help from Tony and Pat. One of the owners, Steve, is a bike mechanic and will have a shop for oil changes and repairs available on site. If you want to set things up in advance to have repairs or maintenance done on your scooter while you are at the Run contact him at Aspen Trails (970)856-6321.

Several committee members traveled to Cedar Edge with the Run Events Chair, Rich, in March to meet with representatives from the town and Jackie, one of the new owners of Aspen Trails. The contract is signed and everyone is looking forward to another fun, safe, and successful ISR. The dates are August 4, 5, 6, & 7, 2011. As usual there will be the church dinner on Thursday, Poker Run and Dance on Friday, Speaker Meeting and Raffle on Saturday and the awesome meetings at the campfire. A full schedule of events will be in the next Ridin Free Newsletter. The bike games this year will return to the field at Aspen Trails as the Rodeo Grounds are not an option this year. The Parade through Cedar Edge is now the "Crazy Hat Parade" so search out the craziest hat you can find to wear.

Please get your Pre-registrations mailed ASAP. The pre-registrations help provide the much needed monies to fund the events. Pre-registration also saves you money and this year only pre-registrations will receive breakfast tickets (2 per person) which will save you even more.

It has been an honor and privilege to Co-Chair the ISR this year. All committee members have gone above and beyond to make this the best possible run. This year marks 25 years of the International Serenity Run being held in Cedar Edge. The people of the town and surrounding communities love having us and have always treated us as family. Remember, this event is important for their economic survival so patronize their restaurants, stores and shops.

Remember you don't have to have a bike to attend and have a great time. The ISR has been important part of my recovery since 1993, bike or not. Can't wait to see all of you in August! Ride safe and may angels keep you under their wings till then. "You shall surely meet some of us as you trudge the road of happy destiny."
